**PERHAPS HE USED WOMEN AS HIS SPIES**

(By Associated Press)  
PARIS, Jan. 10.—The idea that Henri D. Landru may have been a master spy who employed as his agents the 10 women he is convicted of murdering has been advanced by Henri Javal, a member of the Paris bar.

This suggestion is advanced in an effort to account for the fact that no direct evidence of the murders was brought out at Landru's trial. The absence of this evidence has caused a feeling of uncertainty by most Parisians in regard to this mysterious case, and numerous attempts have been made to solve the mystery on other basis than murder.

Developing his theory, Maitre Javal says:  
"Eleven persons, 10 fiancées and the son of one of them, have disappeared. Landru alone knows what has become of them, and he says nothing. By his silence he puts his head at stake. This can only mean that the truth, were it known, would be fatal for him. But the whole affair takes on another complexion if we imagine, for the sake of argument, that his victims were his accomplices in crime, and that crime espionage."

**SUGAR PRICE ACCOUNTS FOR LESS REVENUE**

(By Associated Press)  
HONOLULU, T. H., Jan. 10.—The tremendous effect of the depression of 1921, especially as regards the world's sugar bowl, was exemplified here by the announcement of Colonel Howard Hathaway, collector of internal revenue, that Hawaii's taxes to the federal government for the calendar year 1921 will total between \$2,000,000 and \$3,000,000, as compared with the total internal revenue here of \$30,000,000 in the calendar year 1920. The sensational decline in the price of sugar is responsible mainly for the vast difference in revenue. Colonel Hathaway said, as nine-tenths of the income and profits taxes in Hawaii are derived from the sugar industry.

**THREE STATES TAKE CARE OF AGED MINERS**

(By Associated Press)  
MUSKOGEE, Okla., Jan. 10.—The only old age pension system in effect throughout the entire jurisdiction of the United Mine Workers of America is in use in district No. 21, Oklahoma, Texas and Arkansas. It provides an average weekly pension for 315 men who are no longer able to do mine work. The system has been in operation for nine years and despite the fact that it has never been copied by any other district of miners, its success is pronounced, according to district officials here.

**WYOMING BOY A CHAMPION AT ENGLISH GAME**

(By Associated Press)  
OXFORD, England, Jan. 10.—The "new men" beat the "old men" by a score of 6 to 0 recently in the annual intercollegiate football game played by Americans in Oxford university. The University Parks field is rough and turtle-covered, very unlike a good gridiron. The boys appeared in track suits and sweaters, since no football togs were to be had in Oxford.

F. W. Layman, Wyoming and Wadham, fullback for the new men, was the star of the game. He made the touchdown in the second quarter, breaking loose around right end for a 40-yard run.

**ARMY ON THE RHINE WILL GO HUNTING**

(By Associated Press)  
COBLENZ, Jan. 10.—Hounds from England are to be used this winter by allied army officers to hunt deer and boar in the wilds of the Rhineland in occupied Germany. Hunts are to be held twice weekly under the auspices of the Coblenz Hunt club, organized recently with Major General Henry T. Allen, commander of the American forces in Germany, as president.

Wild boar and deer are said by hunters to be particularly plentiful this season on preserves in the occupied territory.
